

Picnic Order Form

This is the correct form to fill in if you are eating your lunch at Sayers Croft, for example you are a group departing on a Wednesday.

Please complete and fax to the Centre two week before your visit. Fax No: 01483 268135

If your completed form is not returned in time, we cannot guarantee that you will get the fillings of your choice.

Picnic lunches are designed to minimise waste from packaging. They are picked up from the canteen in the morning after breakfast. The lunch consists of large baps with your chosen fillings, large jugs of orange or water from the tap, crisps, biscuits and fruit.
